

## **Article 17: Duties and Responsibilities of Librarian Members Key Changes**

- Longer explanation of research and scholarship. Administration wanted to include application for grants, including external ones; we have managed to resist.
- Example of service is enumerated in point form; it includes service to CUFA.
- Administration has to take into account the particular qualifications, experience, and expertise of a member in assigning professional librarian activities in 17.01 a); also, the Administration must post available subject areas by March 1 and Librarians indicate interest by March 15.
- Research leave - if a leave request is reduced or denied , a reasoned decision (definition in Article 2.28) shall be provided to the member.
- Clarification of the availability of workloads for consultation in each library.
