

Article 50: Amendments to the Act of Incorporation

- 50.01 The Board of Governors shall consult the Association before making any decision to request an amendment or amendments to the Act of Incorporation of Concordia University.
- 50.02 The consultation mechanism will involve the setting up of a joint committee of no more than four (4) members, with equal representation from both parties.
- 50.03 This committee shall receive documentation relevant to the proposed change and shall have time to study such documentation, formulate its recommendation and make its recommendation known to the Board.
