

Concordia University Faculty Association
Association des Professeurs de l'Université Concordia

Webmaster Position at CUFA

The Concordia University Faculty Association is seeking a Webmaster/Web Developer.

Working with the Communications Officer, you will oversee all functionality of our website, resolving technical issues, integrating new content, and ensuring that the site looks and performs well.

The professional we are looking for must be knowledgeable in Wordpress theme/plugin development and CSS/SCSS, HTML, Javascript and PHP as well as website management tools to ensure the maintenance and proper functioning of the website, specifically the installation and running of updates, backups, monitoring server performance, and correcting bugs.

The ideal candidate will have:

- Solid knowledge of computer and Internet security;
- Significant and relevant experience in a similar position;
- Good collaboration skills;
- Attention to detail;
- And compliance with deadlines;

French English bilingualism is a definite asset.

Salary and conditions: to be discussed. This position needs to be filled quickly.

Send your application and resume in one PDF document at:

cufa@concordia.ca before April 29, 2022, 4:00 pm.

Only candidates selected for an interview will be contacted.
