

I bring extensive and diverse experience within CUFA, having served in multiple roles, including my current position as President, as well as Member-at-Large, Secretary, and Councillor. Additionally, I have contributed to key committees, including the Negotiating Team, the Joint Grievance Committee, and the Elections Committee. This broad exposure has equipped me with the insight, skills, and leadership necessary to navigate the complex challenges of the upcoming bargaining round in a demanding socio-economic and academic climate.

As I near the end of my first mandate, I remain committed to strengthening our union by actively engaging members, fostering open communication, and ensuring transparency through clear and timely updates on negotiations and policies. If re-elected, I will continue working toward these goals, always advocating for the fair recognition of our contributions to the University.

Serving as CUFA President has been an honor, and I am deeply grateful for the trust and support I have received. Your vote for a second mandate will reinforce my dedication to representing and advancing the interests of all our members.
